JOHN'S JOTTINGS

The meeting was well attended. The food was very good—a big thank you to each one who brought the spread. It was some very good eating.

The Fall Sale will be September 24, 2016. Ken is managing the Fall sale this year. He has a good plan set-up. However, I noticed that there are several blank or short filled areas in the plan. Since you are going to help with the sale, let Ken know what you are ready to do. He has set September 22 as the day for the tagging party at his place. Get with Ken to let him know that you are going to help with this. Let's all do what we can to make this as great a sale as we can.

Karol Emmerich presented her daylily

program during the September meeting. She brought several of her plants to auction. Keith did an excellent job with the auction. There were some very nice plants that found themselves good homes.

The menu for the sale is finger food like we have done in the past. The October meeting is BINGO. The menu for this meeting is also finger food. Several will bring the traditional Ice Cream and Cookies, etc. Several others are bringing simple sandwiches and snacks, perhaps some sliced fruits, etc.

The Bingo meeting is always a lot of fun. The cards are rented for the meeting at \$1.00 each and 6 for \$5.00. The caller will call the numbers. The winner takes his card to be verified and then picks up the prize of his/her choice. This continues until the tables are empty. The prizes are brought in by you and I. They can be any "garden related items." Now, I have had to stretch my imagination on occasions to see how some of the prizes were GARDEN related. Yet, we have fun anyway. This meeting takes a little longer. **We will be meeting at 7:00 PM.** We are expecting a very good attendance, so come early, win often and enjoy the evening.

The only important business that we will need to take care of in October (that I know about) is the election of the Nominating Committee to nominate the officers for next year. The club nominates two (2) people and the President is to nominate two (2) additional members. It is

my desire to let the club nominate all four members of this committee this year. Please note: John Turrentine will NOT seek to be re-elected as President. I am thankful to have served the last four (4) years. It is time to pass the banner to someone else.

I am looking forward to seeing each of you at the meeting: October 20, at **7:00 PM or earlier**. Let's make it a really great meeting.

NTDS *WAS* 75% (silver) AHS membership. We are now at 50%. Please consider joining AHS. \$25/year, \$30 couple, and the Journal is gorgeous!

Sale report

I want to thank everyone who helped in this years sale. We had many contributors of daylilies, one family contributed well over 55 different cultivars. Many members contributed several cultivars. We had 11 members show up for the tagging party, who also bought \$1133 worth of plants. We had even more members show up for the sale on Saturday. They helped put out the plants, match pictures to plants, and help customers find and choose plants. This is the club's main funding project of the year. Our treasurer, Janet Howie should be able to tell us how much we cleared at our Oct. 20 meeting, if the credit card company gets her the information. [see treasurers report]

In addition to NorthTexasDaylilySociety.org, we have the alias NorthTexasDaylilySociety.com. Please note that the Newsletter address has changed on previous pages.

The 'I have a problem/question' address is admin@northtexasdaylilysociety.org.

My club address is Jim.Bartlett@northtexasdaylilysociety.org while my normal email continues to be G236007@gmail.com

I plan on discussing this as needed in future meetings. I think using our club as your email address (or one of your email addresses) is just nicer than gmail, yahoo, msn, etc. Or the ever changing email address provided by your current ISP.

And, you can quickly change the NorthTexasDaylilySociety.org account to automatically forward **all mail to any other email account**. It will keep or delete the messages forwarded as you instruct.

So, I can just set everybody up or ask for requests. I would prefer to set everyone up at one time because I can do that from the membership list. And yes, this is a little easier than manually setting up 40-odd folks. Please note that I did NOT say 40 odd-folks.... :o)

OBTW, this includes all the applications included with a GMAIL account, private and shared DOCs (word processing, spreadsheets, etc), private and shared calendars, private and shared Sites (web pages).

Think about it and we can discuss any Thursday. Or just send me a note.
